EDITOR'S LETTER

Look, there's no use gazing wistfully out of the kitchen window at your tragically underused barbecue – this is as good as summer's going to get this year, so get used to the idea. Pop on the grill, flick on the kettle and settle down to some indoor fun instead! After all, burnt sausages and raw chicken are all very well, but the girls we've lined up this month are a hell of a lot tastier than that. Now pass the relish...

STRAPPY DAZE!

Dear *Mayfair*,
Ever since I saw my first mucky film – a grainy VHS donkey's years ago – my biggest fantasy has been to see two girls fuck each other with a strap-on. Life had never blessed me with that scenario in the flesh, so when I finally got to live out the fantasy a few weeks ago, I was more than overjoyed!

I've been seeing Rosina on and off for about a year, and really enjoy her company. So much so I started thinking I could even get serious with her. But she told me from the off that she was in no hurry to settle down, plus she was into women too, so I tried to keep my feelings for her in check. We didn't have any secrets but the one thing I didn't mention straight away was my deepest desire. When I finally divulged this information, after a particularly acrobatic session, she admitted that the last time she'd had strap-on sex had been about six months previously with a girlfriend. I relished hearing all the graphic details. So much so, it led to another, more frantic, fuck.

What I didn't realise was that Rosina would go on to make fantasy a reality. She called me a few days later, announcing that she had set up a threesome with a 'good friend' of hers and would Friday suit? Would it ever!

Rosina's girlfriend hadn't decided if I'd be allowed to touch her (I wasn't on a promise!) but she'd certainly get stuck in to Rosina, as could I! I was elated and didn't mind if I couldn't touch Misti, I was just so happy it was happening!

When Friday finally rolled around, I made sure I had plenty of booze in, but the girls were already merry when they arrived at mine, all over each other and laughing hysterically. Suited me – I had a feeling I'd need some Dutch courage! Especially after Misti's opening words.

"Hey bitch, you've been keeping this one all to yourself?" she accused Rosina, giggling. Result! I was practically salivating at the thought of the evening to come.

After feeling Misti up for my benefit, Rosina finally took off her long trenchcoat to reveal a waist-cinching basque and nothing else! And, much to my surprise, she was already wearing a strap-on – talk about coming prepared!

The whole experience was even hornier than I'd expected and believe me I had high hopes. This was, after all, a dream I'd had for many years – I couldn't quite believe it was actually coming true.

It was obvious from the off that Rosina was in charge and before long Misti was on her knees, sucking on her strap-on. But Rosina got bored of that quickly, ordering her to bend over the bed and pull her knickers down. As I watched Misti oblige, I couldn't control myself any longer, and pulled my throbbing dick out of my jeans, slowly stroking it as I settled back for the show.

Rosina teased Misti's slick slit with the attached toy, before pushing it gently inside her, a tiny bit at a time. When it was fully inserted, Rosina started screwing her slowly, teasing Misti while looking me straight in the eye, a huge grin on her face as she watched me watching her fuck this girl. I increased my wanking speed as Rosina upped her thrusting speed, our eyes locked. This was one of the best moments of my life and she knew it.

She called me over and, telling Misti to call a halt to anything she wasn't comfortable with, ordered me kneel in front of Misti's face. I did as I was told and, still wanking away, I positioned myself a few inches from Misti's

KATHRYN ZEAL!

Dear *Mayfair*,
Your newcomer Kathryn had me hooked from the very first shot, with her perfectly decked out in hold-up stockings and a lovely bodice, arching her back and looking over her shoulder at the camera. When a set starts that well, you know you're onto a winner, and sure enough the pictures that followed didn't disappoint! What an utterly flawless face and body she possesses, with the perfectly shaven crinkly fanny lips just one of the many highlights of what was a classic *Mayfair* set. With her pale lipstick she reminded me of some of those 1960s style icons like Julie Christie, although I bet even Julie Christie never looked that good when she got her kit off!
Alan, Kingston.

Cheers Alan - and although Julie Christie didn't look too shabby in *Don't Look Now*, for starters, we reckon Kathryn shades it as well! - Ed.

STOCKING UP!

Dear *Mayfair*,
What a classic issue 51.08 was for a stocking lover like me – every girl you featured was wearing a pair (with the exception of Dani, who was wearing an altogether more bizarre concoction!), with Mia and Kathryn in hold-ups and Stacey, Zoi, Sophie, Roxi and Lucy all giving us the full-on suspender belt treatment! Although I was spoilt for choice I think I'd have to plump for Lucy Zara's skin-toned nylons as my pick of the crop – pure class the way they hug her perfectly curved figure! What more could any man want in a woman than what Lucy's putting so admirably on display?! Not much, surely! Keep up the good work and plenty more stockings, please!
Ian, St Austell.

mouth, fully expecting Misti to tell me to get the fuck away from her. But she didn't. Instead, she opened her gob and told me to aim at her tongue when I came. Jesus!

It was pretty obvious to all of us there that they were the magic words, and within mere seconds of Misti vocalising them, I started shooting my wad. By the time I was finished, I had jizzed everywhere and her face was covered in my sticky muck. She lapped up as much as she could, licking around her mouth, then asked Rosina if she would scoop some up with the dildo so she could taste my spunk mingled with her juices. It was such a horny thing to hear!

It was almost as horny as when Misti asked me, a few minutes later after I had recovered, if I would mind her sucking my prick. I glanced at Rosina, who laughed and told Misti just to get on with it. I happily concurred and began groaning as soon as I felt Misti wrap her warm mouth around my shaft. She gave good head, swallowing me whole before tickling my bell-end with her tongue, all the while fondling my balls. I was lying there savouring the exquisite blowie, when Rosina moved in behind Misti. I could see her expression as she sunk the strap-on into Misti's juicy cunt, the smile plastered over her beautiful face as she pushed in deep. I sat up so could see, holding Misti's head in my crotch as I saw my girlfriend pull her plastic cock out of her friend's snatch, covered with cunt cream, and slam in again. The force of Rosina's thrust impacted, as it would, on Misti's blow-job and she pushed forward, deepthroating my meat and gagging loudly. God, that turned me on. Reaching forward, I was able to feel the dildo disappearing inside Misti's vag, as Rosina pumped it in and out. Although I had not long since emptied my ballsack, I wasn't shocked when I realised that I was about to come again. I warned Misti, in case she'd swallowed enough spunk, but she didn't move, instead continuing to suck as my prick sprayed hot cream down her throat. Trooper that she was, she didn't pull away until she'd milked every single drop of jism from my aching tool.

Rosina later reported to me that Misti was definitely up for a repeat performance, plus she's promised me that I'll get to fuck both of them next time!

BROTHERLY LOVE

Dear *Mayfair*,
If I've ever done anything more stupid in my entire life than leaving my gorgeous young wife at home for the day with Martin, then I'm not sure what. As I left the house that morning it was with a sense of foreboding, but what could I do? Your brother turns up on your doorstep without warning, saying he needs to stay a couple of days and would it be okay.

He'd met Kelly only twice before, once at our wedding where, unbelievably, he tried to chat her up, and once at a family party when he'd (almost) charmed the pants off her.

So off I went, briefcase in hand, leaving my beautiful, slim, gorgeous wife to whatever schemes my womanizing sibling had dreamt up to get inside her knickers.

All day long at the office I imagined his hands on her soft, naked breasts, his fingers touching and probing between her smooth legs and caressing her cute little pussy. Not only did I end up beside myself with jealousy, I gave myself a raging hard-on that rarely subsided over the eight hour day.

As I made my way home, my mind still full of images of her sweet naked body being made love to by my dirty minded brother, I hoped against hope that she had managed to resist his advances. He can be a real clever charmer when he wants to be and I somehow thought I knew that he'd have got somewhere with her, despite her being as loyal as they come.

When I arrived home, Kelly seemed a little edgy and also rather flushed. I feared the worst but said nothing. As we sat down with Martin to watch the evening news, he slipped his hand around Kelly's shoulder and said what a great day they'd had together.

I started to protest but thought better of it – he only had his arm around her shoulders.

Instead, I asked what they'd done that was so great.

"Oh, Martin has a new business," said Kelly, becoming more flushed with every word she spoke, "He's in the body art and piercings game…"

My heart sank. I let Martin continue the

Mmm, it looks like we've unearthed another stunning British newbie! There's nothing that quite beats that feeling – especially when they're as lovely as Midlands babe Rhiannon here!

"Well that's very kind of you!" she smiles coyly which, if anything makes her look even better. "I set my heart on appearing in Mayfair and I'm chuffed to have done it so soon in my career. Promise you'll have me back though, won't you?"

Oh, I don't think there's any doubt about that, Rhiannon. Erm, how are you fixed for next week...?

story.

"Yeah, I've been trying out some of my new lines with Kelly. What a delicious little body she has, you lucky bastard!"

There was a moment's silence. I tried to speak but couldn't. My mouth went dry at the thought of Martin having seen Kelly naked and I felt my cock beginning to stiffen yet again. I finally managed to mutter, "You didn't – I mean, I hope you two haven't er, you know…"

Martin laughed. "Are you asking if we've fucked? Of course not! Not that I didn't want to. Those fantastic breasts – couldn't keep my hands off them!" Kelly blushed and stared at the floor.

"And what lovely nipples! I must admit, I've never spent longer on a piercing in my life, I could hardly keep my hands still the whole time."

My mind was reeling, images of Martin visually devouring my lovely Kelly, touching and groping her perfect breasts, holding and piercing her nipple. It was too much, without thinking I demanded to see what work he'd done.

Martin, never one to look a gift horse in the mouth, took this as permission and ushered Kelly to her feet. Stepping over to her, he began unbuttoning her dress in a slow, sensuous way that only I should be allowed to do. He slipped the garment from her shoulders and let it fall to the ground, leaving Kelly completely naked. More naked than I had ever seen her as amongst whatever else they had been doing that day, they'd shaved off her pubic hair!

I gazed in mounting lust at her silky smoothness, now sporting a small, colourful butterfly just above that cute tempting gash that I know so well.

My eyes flicked up and down her stunning body, lingering on her breasts, so firm and pert, and on her erect nipples, the left one of which now had a gold stud through it's sensitive pink flesh.

I was unable to speak as Martin stepped forward and began running his hands brazenly over her naked breasts, telling ME how lovely she felt and how the skin texture of her nipples was amongst the most wonderfully sensual he had ever touched! He gave her gold stud a couple of little turns and she groaned with pleasure. I found myself incapable of dragging my eyes away and could only watch in excruciating lust as Martin let his fingertips wander over her flat tummy and down onto her soft, raised mound, making some show of inspecting his artwork before dropping all pretence and slipping the tip of a finger between Kelly's lips and gently caressing her.

I watched as he slipped a finger inside her, adding another and pushing them deep inside my wife's vagina. Kelly looked at me directly for the first time and mumbled an apology. Martin laughed and told me that she'd been resisting him doing this all day and that I ought to be very proud of her.

Kelly pushed forward onto his outstretched fingers as he spoke, wanting him deeper, needing penetration and release after a full day's sexual teasing. She was now moaning with joy. Martin winked at me and said, "It's about time I fucked her, and don't you think?"

He led her to the dining room table, bent her naked body over it, took out his huge throbbing cock and thrust it between her spread lips, deep into her beautiful pussy.

I stood staring, totally turned on, slightly jealous and utterly bewildered. How had he managed to engineer the situation round to him fucking my wife doggy style over my dining room table? He was really giving her one, really hammering his hard cock into her willing cunt, roaring with lust and groping her tits relentlessly with his big hands. Kelly was screaming with delight, demanding he fuck her harder still, go deeper and deeper, faster and faster.

Suddenly they both cried out in climax, gasping heavily and slumping over the table.

Without a word, Martin led Kelly towards the spare bedroom, Kelly glancing at me with an apologetic little smile as they went. Martin led her in and locked the door. I followed and stared aghast at the closed door.

My first thought was to kick it down, but then I realised that the reason I hadn't stopped them was because I wanted this. I was more turned-on than I can ever remember being, and suddenly, the thought of Martin fucking my gorgeous wife all night long was the most erotic scenario imaginable. I settled down for the evening and listened to their moans and sighs, Kelly shrieking with orgasm after orgasm as Martin made love to her naked body, the headboard slamming into my wall. My brother gave me a running commentary on what they were doing: "I've got three fingers up her pussy, she's so wet!" and all it did was up my own lust. "Mate, have you ever had her in the arse?" he called out. "Her ring's so slippery because her pussy's so wet, I'm gonna give it a little lick, see if I can stick me finger up there! Fucking hell, her arse is so fucking tight!"

This went on all night, my brother had the staying power of a lion. Just when I'd think it was all over and I was going to get my wife back, they'd start up again, Martin calling out to see if I was still awake. I lay there, my hard-on in my fist, wanking like a mad man until the sun came up and my wife sheepishly came back to bed.

I had another couple of days of this before Martin finally left. He's promised to return soon, though…

Richard, Canterbury.

LOVIN' THE ROX!

Dear *Mayfair*,

I've never written into you before, but I felt I ought to say thanks for finally putting one of my favourite UK models, Roxy Mendez, in the magazine! I thought she was never going to get in to *Mayfair*, so imagine my delight when I clocked her on the front of 51.08 alongside the equally gorgeous Sophie Star! It's just a shame they appeared too late to make it into the running for the Girl/Girl duo of the year category in your awards, because I'm sure they'd have been in with a good shout, although she is nominated for a set she appeared in with Stella Cox, so perhaps I'll vote for her there!

I hope I'll be seeing more of Roxi in your magazine now that she's finally broken her duck!

James, Boston.

"Well, on the beach would be a pretty good place to find me!" she admits. "When we were kids we used to spend nearly every spare minute down there, and I still love to get along to the seaside as often as possible. I'm not sure I wan too many anoraked amblers coming up and admiring me, though!"

Hmm, fair enough. And as long as the rest of us can admire what's on view in the mag, everything's just dandy!

ASTON THRILLER!

Strap in for the ride of your life in the ground-breaking new Red Bull/Aston Martin hybrid, the snappily named AM-RB 001!

We're very excited here at Paul Raymond Towers after Aston Martin and Red Bull Racing revealed an early look at their new joint venture, a mid-engine hypercar. The bad news though is that it probably won't go on sale until early 2018.

The product of a unique Innovation Partnership between the British luxury brand and the eminent Formula One team, this ambitious, uncompromising and wholly extraordinary collaboration combines the vision and skills of two world-leading brands to create a road car the like of which has never been seen before.

The three men charged with realising this shared vision were Adrian Newey, Red Bull Racing's Chief Technical Officer and the world's most successful Formula One designer, Marek Reichman, Aston Martin EVP and Chief Creative Officer and David King, VP and Chief Special Operations Officer. Together they spearhead a formidable alliance – one that combines more than a hundred years of specialism and heritage, making some of the world's most beautiful and charismatic GT cars, and with technological brilliance and relentless pursuit of speed and efficiency that has seen Red Bull Racing excel in the ferociously competitive world of Formula One.

Reichman and Newey are working closely on all aspects of the project, striving to ensure the AM-RB 001 is an unprecedented fusion of form and function: a car engineered to be entirely usable and enjoyable as a road car, but with the capability to perform like no road car before it on a race track. For those who crave an even more intensely focused driving experience, a track-only AM-RB 001 is also in development, the projected performance of which is in line with that of today's LMP1 Le Mans sports prototypes.

Built around a lightweight carbon fibre structure, the AM-RB 001 boasts truly radical aerodynamics for unprecedented levels of downforce in a road-legal car. Thanks to the genius of Newey's design, much of this downforce is generated through underfloor aerodynamics, leaving Reichman free to craft a pure yet breathtaking dramatic form that elegantly expresses both the AM-RB 001's cutting-edge dynamism and the unmistakable essence of Aston Martin.

Uncompromising in all respects, the AM-RB 001 is a bespoke machine from the tyres up. It will be built by David King and his team at Gaydon, in the purpose-built facility created for Aston Martin's original hypercar, the One-77. More details of the AM-RB 001's technical specification will be revealed in due course, but its heart is a new, mid-mounted, high-revving, naturally aspirated V12 engine with the potency to achieve a 1:1 power-to-weight ratio; 1 bhp per kilo of weight.

> THE AM-RB 001 BOASTS TRULY RADICAL AERODYNAMICS FOR UNPRECEDENTED LEVELS OF DOWNFORCE.

To cope with the extreme aerodynamic loadings at high speeds yet deliver the on-road usability and comfort levels that sit at the heart of the concept, the AM-RB 001's suspension system will feature innovative technology and employ principles honed by Newey over his thirty-year career. Likewise, the transmission is a clean-sheet design conceived by Newey and developed by Red Bull Advanced Technologies.

While boundary-pushing performance is clearly of paramount importance, so too is exceptional efficiency and packaging. Newey's unrivalled knowledge has enabled the AM-RB 001 to be extremely light and compact, yet offer genuine comfort and space for driver and passengers… and house a V12 engine.

On the news that the AM-RB 001 project was more than just a pie-in-the-sky idea Adrian Newey clearly couldn't hide his excitement: "I've long harboured the desire to design a road car. The formation of Red Bull Advanced Technologies brought me a step closer to realising that ambition, but I believed we should work with an automotive manufacturer. Aston Martin was at the top of my list. The synergy between Red Bull Racing and Aston Martin is clear. I knew Red Bull Racing had the ability to handle the pure performance aspects, but Aston Martin's experience of making beautiful, fast and comfortable GT cars is of great benefit to the project. I've always been adamant that the AM-RB 001 should be a true road car that's also capable of extreme performance on track, and this means it really has to be a car of two

"WHILE BOUNDARY-PUSHING PERFORMANCE IS CLEARLY OF PARAMOUNT IMPORTANCE, SO TOO IS EXCEPTIONAL EFFICIENCY AND PACKAGING."

characters. That's the secret we're trying to put into this car - the technology that allows it to be docile and comfortable, but with immense outright capabilities."

And the guys at Aston Martin couldn't hide their excitement either, with Marek Reichman adding: "Working so closely alongside Adrian and an organisation like Red Bull Racing is a fabulous experience. By definition the objectives we've set for the car ensures there has never been an Aston Martin - or any car, actually - quite like the AM-RB 001. The shared challenge has been finding that magical tipping point where we achieve the most efficient engineering solutions and the most beautiful styling solutions without any compromises. My personal challenge has been expressing the AM-RB 001's extraordinary performance and the unique way in which it delivers that performance. Its style reflects its revolutionary nature, while possessing the form and beauty that makes it unmistakably an Aston Martin."

We've already mentioned the first deliveries of the AM-RB 001 won't take place until 2018, but we've also go some more bad news – the number of production models will be limited to between 99 and 150 road cars. So, if the insane price (TBC) isn't enough to put you off, the exclusivity of the AM-RB 001, which will surely set the benchmark for all future hypercars, will probably put a pin in any ideas that you might one day be lucky enough to get behind the wheel of one of these beasts.

BAILEY

Age: 24 **Vital Stats:** 32C-26-38 5'9"
Photographer: Twistys

Yep, it's another *Mayfair* debutante, and we reckon Bailey here is more than up to scratch, don't you?

"I'm glad you think so!" she beams. "I was a bit nervous about giving modelling like this a try, but everyone's been so helpful since I started out I wish I'd taken the plunge ages ago!"

Well we reckon you're just perfect now. But yes, when it comes to helping a stunning girl take her clothes off for a photoshoot, people do tend to be pretty helpful, don't they?!

GENTLEMEN, That Reminds Me

Want a sidesplitter or three? Well move along, there's nothing for you here, we're afraid! Email us your efforts at: mayfair@paulraymond.com or send them to: Mayfair, 112 Down Street, West Molesey, KT8 2TU.

There is a factory that makes the Tickle Me Teddy Bear toy. The toy laughs when you tickle it under the arm. A new employee, a blonde woman, is hired at the Tickle Me Teddy Bear factory and she reports for her very first day.

The next morning there is a knock at the Personnel Manager's door. The Foreman from the assembly line enters and begins to rant about the new employee. He complains that she is incredibly slow and the whole line is backing up, putting the entire production line behind schedule.

The Personnel Manager decides he should see this for himself so the two men march down to the factory floor.

When they get there the line is so backed up that there are Tickle Me Teddy Bears all over the factory floor and they're really beginning to pile up. At the end of the line stands the new employee surrounded by mountains of Tickle Me Teddy Bears. Next to her she has a roll of furry fabric and a huge bag of small marbles.

The two men watch in amazement as she cuts a little piece of fabric, wraps it around two marbles and then begins to very carefully sew the little package between the Teddy Bear's legs.

The Personnel Manager bursts into laughter. After several minutes of hysterics he pulls himself together and approaches the woman.

"I'm really sorry," he says to her, barely able to keep a straight face, "but I think you misunderstood the instructions I gave you. Your job is to give the Teddy two test tickles."

"I don't know - what do you want to do tonight?"

An ugly woman walks into a shop with her two kids.

The shopkeeper asks: "Are they twins?"

The woman says: "No, he's 9 and she's 7. Why? Do you think they look alike?"

"No", he replies. "I just can't believe you got laid twice."

A group of students studying to become doctors were receiving their very first anatomy class with a real dead human body. They all gathered around the surgery table with the body covered with a white sheet.

The professor started the class by telling them, "In medicine, it is necessary to have two important qualities as a doctor: The first is that you must not be disgusted by anything involving the human body."

Oral sex: if it doesn't look like a demon is being exorcised from her body, you're doing it wrong.

As an example, he pulled back the sheet, stuck his finger up the arse of the corpse, withdrew it and stuck it in his mouth.

"Go ahead and do the same thing," he told his students.

The students hesitated for several minutes, but eventually took turns sticking a finger up the arse of the dead body and then sucking on it.

When everyone finished, the professor looked at them and told them, "The second most important quality is observation. I stuck in my middle finger but sucked on my index finger. Now learn to pay attention."

A guy and a girl get talking in a nightclub.

They get along so well that they decide to go back to the girl's place. Once there, they start to get intimate.

A few drinks later, the guy takes off his shirt and then goes to the sink and washes his hands. He then takes off his trousers and goes to the sink to wash his hands again.

The girl watching him do this says, "You must be a dentist."

The guy, surprised, says, "Yes, how did you figure that out?"

"Easy," she replied, "you keep washing your hands."

One thing led to another and they make love. After they are done, the girl says, "You must be a really good dentist."

The guy, now with a boosted ego says, "Sure, I'm a really good dentist, how did you figure that out?"

"Because I didn't feel a thing," she said.

An old lady visits her doctor and asks him for some Viagra for her husband.

The doctor, a little startled given her and her husband's age, says, "It comes in three strengths; there's 25% - semi hard, 50% - very hard and 100% - rock solid. Which would you like?"

The old lady says, "25% will do, it's only to stop him pissing on his slippers!"

Q: How do you get a fat chick into bed?
A: Piece of cake.

HOLLY

Age: 26 **Vital Stats:** 32E-25-34 5'3"
Photographer: BB Media

When she turned up for this shoot, Holly was still abuzz after getting back from a brief holiday in the sun. So, we wondered, where had she got to?

"Where else?" she grins. "Ibiza, of course! Whenever I'm feeling in need of some serious R&R, it's always top of my list, and it's never let me down yet!"

Hmm, we don't imagine there was too much rest to be had, was there?

"Well, I did sleep for three days when I got back..."

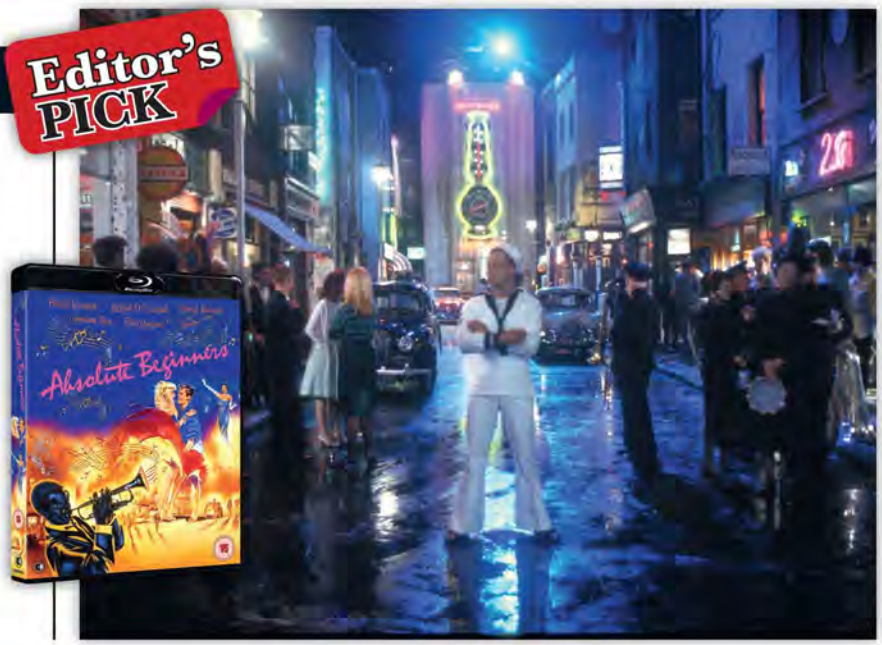
Scene from MAYFAIR

A brace of highly ambitious mid-80s offerings that didn't exactly set the box office alight at the time but deserve a second look, and a recent release that harks back even further...

ABSOLUTE BEGINNERS

Editor's PICK



You don't often get the opportunity to feel nostalgic about two completely different eras at once, but you do with this 1986 film helmed by Julien Temple. Firstly, of course, for all the 80s stars and sounds that feature so heavily throughout – from David Bowie's starring turn (and eponymous theme song) through a soulful Sade and Paul Weller's post-Jam outfit The Style Council. And then on top of that there's nostalgia for the late 50s, when the film is set, in a London that's become a bubbling cauldron of influences, tensions and energies, as the newly emerging generation of teenagers start to move things forward from the stuffier attitudes of their parents' era. Jazz, racial tension, 80s pop – it's all a bit of a heady brew, and to be honest at times the film goes off a bit half-cocked, but with a cast that includes not only Slim Gaillard and Ray Davies but also Lionel Blair and Patsy Kensit, it's hard not to get caught up in all the fun.

RAN

Akira Kurosawa must be the best known Japanese Director, so it's strange that this film, quite possibly his finest achievement given its scope and technical brilliance, shouldn't be better know. Released in 1985, it's a whopping budget take on King Lear, with Tatsuya Nakadai playing an ageing warlord who decided to divide up his domain among his three sons. Bad move, as anyone familiar with Lear will tell you, and sure enough things go downhill pretty quickly for all concerned.

The film took years in production, and it shows – almost every scene's a feast for the eyes, and Kurosawa received numerous accolades from film festivals for his efforts, but audiences at the time didn't seem quite so wowed. Still, as we know, some films only seem to improve with age, and this release from Studio Canal, beautifully packaged and crammed with extras, more than does this classic justice.

DAD'S ARMY

Fans of this classic sitcom rarely have to wait long before they can get a fix – it seems to be BBC2's go-to of choice whenever they've got a half hour gap to plug. And as well as recent documentary about the genesis of the series (with John Sessions tremendous as Arthur Lowe) we've also had this – a big screen recreation of the original, give or take. This time the suddenly ubiquitous Toby Jones takes on the role of Mainwaring, and he makes a pretty good fist of it too, while other much loved characters are stuck to fairly closely, with Bill Nighy surely the only option for Sgt Wilson and And Michael Gambon throwing his actorly chops behind doddery Godfrey. And then there's Katherine Zeta Jones, for some reason. It's harmless enough fun, but really talent like this should be trying something a bit bolder than a safe rehash of something that was already perfect.

What's going on here – a Spanish babe with red hair and an Egyptian name – Amarna, you've got us all confused!

"Well, I studied ancient Egypt at college, so that explains my choice of modelling name, but as for the hair, you'll just have to blame my parents!"

From what we can see Amarna – and that's quite a bit! – we don't think we ought to be blaming your parents for anything at all!

XPOSED

★★★★☆

CAST: Lexi Lowe, Kira Queen, Stella Cox, Blondie Fesser, Lexi Candy.

There's definitely something to be said for getting it on al-fresco. For starters you can work on your tan a bit and get rid of some of those white bits, and secondly nobody has to worry about lying in the damp patch afterwards. Even better than that though, would be fucking outside with one of the strumpets on display in this flick, because they're a right comely bunch who ride cock like their lives depended on it. Take Lexi Lowe, for example – now ostensibly she's meant to be washing the car, but instead she's far keener to rub her sponge over her soapy tits and hose herself down. She soon whips out her fella's hosepipe too, and she knows what to do with it. She looks an picture spreadeagled on the (rather small) bonnet as he bangs away at her shaven snatch, and more than earns her helping of spuff at the end. Stella Cox takes the biscuit, though – whose double-dicking must have gone on for hours, if the way broad daylight turns to complete darkness by the end is anything to go by! **Available from your local sex shop.**

THE BEST OF ANISSA KATE

CAST: Anissa Kate, Abbie Kat, Mira Sunset, Sharon Lee, Jessyca Wilson.

It doesn't really feel like cock-crazed French floozie Anissa Kate's been around long enough to have become something of a legend in the industry, and yet her looks and the energetic performances she's put in over the last few years have earned her a deserved reputation as being one of the best on the European circuit – and if you want evidence, then this'd be a good place to start!

The first scene sees Anissa sharing the limelight with Mira and Abbie, but that's the only sharing required, because they've got a stud each to ride. Anissa (and Mira) both give their bums a workout along the way, too, but don't get carried away just yet, because there's plenty more where that came from. Of the six scenes on offer there are plenty of highlights to pick out, but I'd say things really come to a head in the final three, in which Anissa firstly takes a solid double dicking, with a DP thrown in for good measure, and then teams up with Sharon Lee and Mira again for some proper backdoor banging action. Ooh la la – she's one French we all fancy!

Wicked Pictures

SUPERGIRL

CAST: Carter Cruise, jessica drake, Katrina Jade, Riley Steele.

There can't be too many superheroes left that haven't been dusted off for a) a big screen makeover and then or. quite frequently, slightly before) b) a porno parody. OK, so Antman hasn't had the porno treatment yet (has he?), but only because the sight of a one inch hero trying to stick his todger into some willing flamper would be altogether too weird and thoroughly unstrokeworthy.

Far more strokeworthy, thank goodness, is the sight of blonde lovely Carter Cruise in her snug-fitting but oddly woollen looking Supergirl suit, and as we meet her she flying out into space for a showdown with the dastardly Brainiac. I was expecting some ass-kicking but hey – they get along pretty well, and before long she's noshing him off and letting him stick his evil prick deep into her super jacksie! Strange plot twist, but then this is a bongo flick! Carter (perhaps wisely) sits out the next three scenes, in which jessica drake, who's clearly a sub these days, takes on two cocks and come out with a score draw and then Katrina gets all lezzy with Riley before Riley gets all straight with a woodsman. Finally we're back with Carter for a bunk-up with Batman, but I couldn't help feeling her talents were rather underused in this flick, which feels a little half-hearted...

SPENCER

Age: 26 **Vital Stats:** 32D-27-36 5'4"
Photographer: Twistys

There aren't many better ways to spend a balmy afternoon that watching the flawless Spencer Scott stripping off by a pool, but sadly we didn't get to manage it this time round. People often say this must be the best job in the world, but knowing you've missed out on something like that – well, all I'm saying is get those tiny violins out, please!

QUEST...

Reckon it's high time we had a trio of confessions from some of our lady readers? Well so do we - and here they are!

I had been going to the same launderette for a few weeks in January of this year as my washing machine had died on me and I couldn't afford to replace it until payday, and it hadn't escaped my notice that the cutest guy I'd seen in a while worked there. We'd exchanged numerous smiles and the occasional hello, but I got the feeling that he was shy and it would take drastic action on my part to get together with him.

So, the week before my new machine was due to be delivered, I took the bull by the horns and planned my attack! I timed my visit so it was about 40 minutes before the place closed – just long enough to get my load washed, but ensuring that I would be the last customer in there at the end of the day.

As I expected, the guy (whose name turned out to be Guy!) seemed anxious to knock off, and started whizzing the broom around the place before shutting up for the night. When he got to where I was sitting, he grinned and asked if I would lift up my legs so that he could get to the sweet packets and crap underneath the seat. I did, and boy, did he get the surprise of his life. Before I had left work that evening, I had taken my knickers off – so when I lifted my legs, I intentionally parted them so that he got a good look at my totally shaved pussy. The look on his face was priceless, and as his eyes drifted from between my legs up to my eyes, I simply asked, "Well?"

He said nothing, but turned, walked towards the door, flipped the sign to 'closed', and locked up. Walking past me to the back of the launderette, he ran his hand across the top of my head and said, "Follow me."

Internally high-fiving myself at my plan working, I obliged and followed his lead. The bulge in his trousers told me that I'd hit the cock-jackpot, and I couldn't wait to get my hands on it. As he passed the light-switch, though, he flicked it off and disappeared out the back. "Hey!" I shouted, "I can't see a fucking thing in here!"

Guy laughed, before replying, "Well I've got some 'thing' here for you, so hurry up and get your arse in here."

As I made my way through the darkness I banged my legs on a chair, making me cry out. "You okay?" he asked, and, still reeling a bit from the shock, I looked up to get an even bigger one, in every sense of the word! There he was, standing in the doorway stroking the biggest hard-on I'd ever clapped eyes on – and let me tell you, I've seen my fair share of cocks in my time! Suddenly, my thoughts weren't on the pain in my leg, but well and truly focused on his gorgeous, throbbing meat.

"Shit!" I exclaimed, in spite of myself. "You've got a lovely dick!"

He chuckled and beckoned me over, waving his tool at me. I wasted absolutely no time and was soon on my knees in front of him, his dick deep down my throat as I guzzled on the fat, meaty shaft. I could feel his hugeness pulsing and throbbing violently as I started applying more sucking action, slowly sliding my head on and off – though never quite completely off it. Every time his cock was about to pop out from between my lips, I gently nipped at the huge bell-end with my teeth, causing him to purr like a cat that got the cream.

> "AFTER A FEW QUICK STROKES I PULLED MY FINGER FROM MY PUSSY AND STUCK IT IN HIS MOUTH."

"Squeeze my balls," Guy told me. And as I did, I took his whole length way down my throat, just as he unleashed his load. I gagged and spluttered as what felt like ten litres of cock cream splatter the back of my throat, filled my mouth, and started trickling out from between my lips. I pulled away, opening my mouth to show him how full it was with his spunk then, with one almighty gulp, swallowed the whole fucking lot of it down.

"Hmm, delicious," I said sexily, before sliding a finger between my spunk-splattered lips, sucking on it, and pushing it inside my sticky slit. After a few quick in and out strokes, I pulled my digit from my pussy and stuck it in his mouth. He sucked it and grinned naughtily at me.

Glancing down, I realised Guy's cock wasn't showing the slightest sign of going limp on me. I acted quickly before that changed, emptying out a basket of freshly service-washed linen onto the floor and got on all fours, reaching behind me to splay my fanny lips and told him to get stuck in. He didn't need asking twice and, faster than a rat up a drainpipe, he was on me, stretching my snatch wider than it had ever been. I wasn't sure that I was going to be able to take his cock to the hilt, but the pre-fuck sucking I gave him got my pussy so juiced-up it

swallowed it no problem.

At first Guy's strokes were slow and gentle. We moaned in unison with utter lust. This was the fuck of my life. But while I wished it would never end, it dawned on me that having such a massive tool servicing my cock-craving cunt, there would be no way I was going to be able to hold out from climaxing for long. And, as soon as the thought enter my head I felt it rising within me.

"Fuck me harder!" I screamed, "I'm nearly there – I want you to come with me!"

Guy did as I said and pile-drived his prick in and out of my juice-dribbling hole. "Yes!" I howled. "Harder you bastard! Harder! Harder!"

Then it kicked in, the waves of euphoria bubbling beneath the surface. I started slapping the palms of my hands on the floor, my cunt and arse quaking, I felt like a human volcano about to erupt! Then it hit me. "Now!" I yelled. "I'm coming now!"

He began hammering into me with wild abandon, and then with one final cunt-cramming lunge, he collapsed on top of me, unleashing jet after jet of spunk inside, to mingle with my fanny-honey.

It was the first time I'd been so forward with a man – and, to be honest, it'll probably be the last. Especially as Guy and I have been seeing each other since. And yes, I still nip into the launderette just before he closes up, to re-enact our first night of passion. Although we've since done it all over the shop, my favourite place to fuck being on one of the washing machines – while it's on the spin cycle, of course!

"HE TOOK AGES TONGUING EVERY INCH OF MY SNATCH, LAPPING UP THE JUICES, BUT ONLY GOING NEAR MY CLIT WHEN I GROANED..."

I've just back from a holiday with a group of friends just outside Bude in Cornwall. As usual, we rented a holiday home so we could come and go as we pleased, and on our last night, everyone clubbed together to buy enough booze for an all-night party, for ourselves and any friends we'd made during the fortnight we were down there.

Halfway through the evening, we drunkenly decided we were going to go skinny-dipping off the beach when the sun came up. I like my body, but I didn't feel like I could compete with some of the big-titted, curvier girls there. I started feeling a little paranoid about the whole naked thing, but then I had an idea.

I locked myself in the upstairs bathroom, nicked a big handful of one of the boys' shaving foam and worked it into my long pubes. Every last one of them was coming off.

Once I'd rinsed off all the excess soap and hair shavings, my twat felt so sensitive. The bathroom window was open, and I felt a cool breeze blow in. And when I touched it, it felt so gorgeously smooth.

I couldn't help myself stroking my velvety softness, and pretty soon it had the obvious effect. My pussy began to juice up, filling my slit with sticky wetness and it was like my clit inflated, poking out from between my paler labia. And, because I'd been sunbathing in my skimpy bikini, I was brown all over, apart from a really pale triangle – even if it didn't quite glow in the dark, it definitely drew your eyes.

As the sky started to get light, we all ran, laughing and whooping down to the little stone pier, leading off the beach. The tide was completely in so we knew the water was deep enough to have a swim. I bided my time, letting Pippa, one of the big-boobed girls lift her top up and shake them at the lads, before most of the girls joined in, screaming with laughter. I think everyone just thought I was shy, not joining in – one of the girls said, "Aww, c'mon, we're all doing it, join in! And you've got a really sexy body – you should show it off!"

I wasn't exactly confident with my body (my tits were still too small!), but I knew

I looked good, with my recent bit of pubic-topiary!

"OK, here goes nothing…" I said, and with that, I pulled my T-shirt off – I wasn't wearing a bra – then slipped my knickers down, feeling a hot surge of juices as I realised most people were watching the 'shy girl', to see how she reacted. I looked around.

Among the other girls, there were mostly neatly trimmed pubes (back like mine had been), a couple of full-on bushes and one Brazilian – I couldn't help thinking that it was a DIY job – but I was the only one with a bald beaver, and I think it was noticed!

One of the girls, a blonde with huge boobs, seemed a bit narked by my attention-seeking, and asked if we were here to swim, or what? Everyone jumped in the water and, as we splashed about, one of the guys, Stu, swam up and asked – still nervous even though he'd obviously had some Dutch courage – could he have a little feel of my pussy, as he'd never actually touched a "shaven haven" before.

I should have said no just to punish him for calling it that! But maybe he was just curious – and if he was coming on to me that was fine by me, as I quite fancied him anyway!

"OK," I told him and his hand moved a bit shakily in between my thighs. At first, he did only touch the outer labia, testing my shaved

bits. But then he started rubbing a bit harder, caressing them, and one of his fingers slipped in between them. As Stu started probing my hole I moved in for a kiss, started fucking my tongue in and out of his mouth to the same rhythm as his finger.

We were well into it by the time someone noticed, but then the wolf-whistle they so kindly did, drew everyone's attention to us. I don't think anyone followed us when we swam to the steps on the other side, but knowing they were close and could probably guess what we were doing, really turned me on.

I told Stu to lick me out, so he poured a bottle of beer over my crotch to rinse off the salt water (apparently), and, of course, it fizzed right up, which felt amazing. Then he began to lick me. The feel of his tongue, coupled with the fizz of the beer felt amazing and it took me a few minutes to get used to

the sensation.

He took ages over tonguing every smooth inch of my snatch, lapping up the juices, but only going near my clit when I groaned in frustration and grabbed him by the hair, trying to move his mouth onto it, or at least close by. He sucked on it, lashing it with his tongue till I climaxed, but all I really wanted was to feel his fat cock wedged right up inside me.

The water had been a bit cold for Stu – need I say more? – but my hands soon got him big and rock-hard. I think I played with him a bit too enthusiastically – I just kept rubbing him against my clit, till I tossed his load all over it.

No big deal – in fact, I'd never seen anything so sexy in my life. My cute little pussy, all shaved and pale – just a bit darker on the folds from where I'd come, and now it was splattered all over with pearls of thick, creamy spunk.

Then I saw the second-horniest thing ever. Stu started licking my fanny, tasting his own self, his tongue licking every inch of my twat. I knew he'd soon get hard again, and it happened almost immediately. This time, when Stu fucked me, he lasted for ages, and I just spread myself wide, watching him as he ploughed his shaft in and out of my hole, so much darker and shinier than my delicate pink flesh.

It's a shame Stu was just a holiday fling who left a couple of days later as he was a bloody good shag, but in his memory I've kept on shaving my pussy, every Friday for the weekend without fail. It makes me feel so sexy – especially when I go out 'commando' –and my pulling power seems to have gone through the roof!

I like to I keep myself pretty fit, and I like my men muscular and fit too, especially if he is supple and can give me a good work-out during intercourse.

I'd long had my eye on Dillon, and when my tennis club's yearly tournament came around, I managed to work up the courage to ask him if he would like to partner me in the mixed doubles. To my delight he agreed and we set up a number of practice matches so we would be in sync on the court.

I immediately began planning my outfits for these practice sessions. I love wearing whites, and keep my holiday tan topped up with sun-bed sessions so I can show off my long legs to best advantage. I looked through my collection of dresses and skirts and decided to treat myself to something new and more alluring to catch his attention.

The first evening I arrived at the club in my new tennis dress. It was very short with a bright pink trim, and made of a delectable clingy fabric which showed off all my curves to perfection. Just to add that extra tease, I found the perfect pair of matching panties, with the same shocking pink trim, guaranteed to draw his gaze to the area between my thighs.

> "MY FINGERS TIGHTENED ON HIS COCK, SQUEEZING HIS SHAFT AS I CAME."

We met on court and had a real work-out with another couple whom we knew from the club. They were very competitive and even though this was just a practice match it was fast and furious. Dillon and I played well together and managed to win the match in the end. Dillon played out of his skin, and I couldn't help thinking it was because I'd promised him a little treat if we won. And from the look in his eye, he'd realised exactly what I meant.

It was fairly late and all around us people were finishing matches, or gathering up their gear and leaving the courts. As I bent over to pack my racket I peeped back at Dillon and saw him watching me with interest. I caught his eye and he winked, moved behind me, and slid his hand up my skirt, grabbing an arse cheek and squeezing it sensually. I stood up, turning to him, and found myself being drawn into his arms.

Without loosening his grip on my buttock he kissed me, and I could feel his erection pressing into my belly.

"Tease," he whispered as he held me against him. His body felt hard against mine and my panties became damp as my excitement made my pussy wet. My nipples ached for his touch and I pressed my body closer to his. It was a very public place but I was desperate to get laid, so I paid no heed to our whereabouts and ground my fanny against him.

Luckily Dillon had more self-control, and still holding my hand he gathered together our two kit-bags and led me towards the car

park. Dropping them by his car, he drew me into a small copse at the edge of the car-park. I saw with relief that it screened us from the courts and the club house, and once behind the trees I encouraged him to pull me against him once more.

Suddenly his hands were all over me, making me squirm with pleasure, and as I reached for his zip his hands delved inside my panties. As he slid two fingers inside my wet pussy I managed to lower his shorts and underpants, releasing his cock. It was large and felt heavy in my hands, and my pussy dripped with desire as I began stroking it.

Dillon's fingers slid in and out of my pussy while his thumb circled my clit, making my insides clench as my pussy contracted around them. My fingers tightened on his cock, squeezing his shaft as I came, pressing my face into his chest to stifle my moans. As soon as I had climaxed, I sank to my knees on the grass, and, cupping his balls in one hand, began sucking his cock.

We were still sweaty and hot from our exertions on the court and the manly smell of his perspiring body made me hornier. I opened wide and took his length deep, sucking him as hard as I could until my cheeks hollowed and I could feel his cock-head touch the back of my throat. It was the first time I'd had sex in a public place, and, while I was nervous, the sheer audacity of it excited me. Spurred on by the whole situation I bobbed my head furiously on his cock, and only let up when I felt he was in danger of coming in my mouth.

Dillon sighed unintentionally in disappointment, and helped me to my feet. He pushed my skirt right up and lowered my panties in one swift move, making me wriggle in delight as I felt the breeze on my naked buttocks. Pushing me up against the trunk of a tree he asked me to put my arms around his neck and wrap my legs around his waist. Supporting my arse-cheeks with his strong hands he slid his big cock inside my throbbing pussy. My eyes closed as he burrowed inside me, filling me with his rigid manhood.

My pussy gripped tightly around his shaft, clenching delightfully as it began to spasm around the thick intruder. Back and forth and side to side he moved his weapon, creating exquisite sensations as the friction brought me close to orgasm.

His size and girth driving into me had me gasping for more, and Dillon certainly had plenty of stamina! With his big cock pounding my pussy I had to use all my experience to extend my pleasure before I finally succumbed to his thrusts. I buried my face in his chest to prevent myself from crying out as I came, and only a second later he pumped his load inside my pussy.

We didn't do all that well in the tournament – we only made it through to the third round – but then we didn't practise much, and neither of us were that upset!

Mandy Bradley
MAYFAIR
Classic

Och aye the rude! Wee Mandy, the bare bairn from Kirkwall in the Orkneys, is having a fling stripping off her kilt for Scots and Sassenachs alike. The 21-year-old, who now lives in Glasgow, admits to always having a secret desire to shock her severe neighbours.

"At 16, I was the only one snogging a different bloke every week at the local disco. Then I'd go swimming in the harbour in my see-through bra and panties before bonking boys behind the boathouses."

Now, the bonny bird has taken to nude modelling. "I'm a full-time flirt now!" she says proudly. "A nine-to-five nympho. What could be better than teasing wee todgers into giant cabers all day, every day. I only wish I got the benefit of them all!" A saucy wee lassie and no mistake! Ⓜ

PHOTOGRAPHS BY GEOFF HOWES

MAYFAIR Classic

Blimey, they didn't half go to town with the whole Scottish thing back in 1994. Who's to say whether Mandy really did hail from the Orkneys, but whoever was writing the blurbs in those days wasn't missing a trick! Swimming behind the boathouse and bonking boys, with references to tossing cabers and the like! Hoots mon, we'd never get away with that sort of thing now!

On Sale September16th

Stop me if you've heard this before *(Stop! – Ed.)*, but as I write this the economy seems to be going tits up again, and the Bank of England's just cut interest rates after we all thought they'd be raising them next. Well, it just goes to show you never can tell what's around the corner – although it's a pretty safe bet that the next issue of *Mayfair* will be crammed full of stunning girls… girls like these, in fact! If that doesn't raise rates of interest then nothing will!
